MEMORANDUM FOR THE RECORD

Subject: Implementation of ACDEANINST 1531.63C – Complaints Against Faculty Members

**Ref: (a) ACDEANINST 1531.63B
(b) ACDEANINST 1531.63C**

The purpose of this document is to memorialize my decision on or before April 1, 2016, to set-aside reference (a) and in its place, substitute the guidelines contained in reference (b) to address complaints against faculty members. I also directed that as of April 1, 2016, reference (b) be applied to all investigations of such complaints that are formally convened by the Vice Academic Dean.

This action was taken in my capacity as the Academic Dean with sole cognizance over this instruction. Appropriate administrative action should be taken to cancel reference (a) as of April 1, 2016, and reference (b) finalized and promulgated.

Thanks for meeting with me today.

Andy says he supports fully the idea of his setting aside the old instruction, and declaring that we will follow the new, near final draft instruction, given the broad discussion it has received, with general agreement, albeit with a couple points of fine tuning still to apply.

Also, I am inclined to wait to inform Col **5 U.S.C. §552(b)(6)** and **5 U.S.C. §552(b)(6)** about the new matter until we've got the close-out go ahead from George Lang. I expect that will come very soon (today maybe, or early next week). Sound okay?

Thanks!
